

Your Child

Your Public Schools

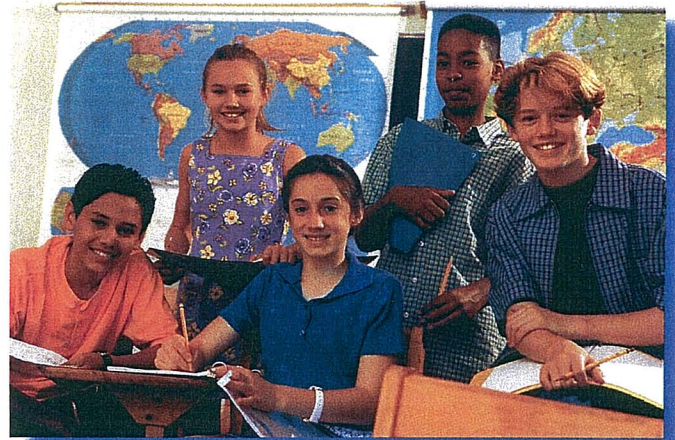

Want to help your child succeed in school?

Get your **FREE** copy of the Florida Department of Education's

"Your Child, Your Public Schools" DVD

Learn more about Florida's public schools and ways to help your child in and out of the classroom. There's info on everything from FCAT to school grades to high school and beyond. It's like a virtual tour of Florida's public schools that works in your DVD player or home computer. Ask your school or your school district volunteer coordinator for your copy today!

Or, check it out online at...
