

MEMORANDUM

February 6, 2012

TO: All Work Locations

FROM: Alberto M. Carvalho, Superintendent of Schools 

SUBJECT: **THE 2012 MIAMI NATIONAL COLLEGE FAIR – SUNDAY, FEBRUARY 19, 2012**

The 2012 Miami National College Fair will be held Sunday, February 19, 2012, from noon – 4:00 p.m. at the Doubletree Miami Mart Airport Hotel and Convention Center, 777 N.W. 72 Avenue. The event is an incredible opportunity for our students and their parents to learn about colleges, careers, and future employment. We need your help to get the word out to students of all ages, parents, employees, and the community. Please place the event on your school calendar.

Attached are sample letters and fliers in English, Spanish, and Haitian-Creole promoting the College Fair. A separate flier with a listing of free information sessions to be offered at the College Fair is also attached. Please duplicate the appropriate documents and distribute them to your students and staff so that they may share this information with their families. **To give all families an opportunity to participate, it is imperative that these fliers go home with all students.**

If applicable, please include information about the College Fair in your morning announcements, on your work location's website, on your school's marquee, and through the school site ConnectEd System.

More than 185 colleges and universities from around the country will have representatives available to answer questions about admissions, courses, and financial aid. An on-site counseling center will provide students and parents with academic advisement and college planning information. Additionally, a computer center will be set up to allow students to search for scholarships, conduct interest surveys, and/or research colleges and careers.

Admission to the College Fair is free; parking is \$5.00. For more information, please call the Division of Student Services at 305-995-7302 or visit the News & Events section on the District's homepage at www.dadeschools.net.

Dear Parents and Guardians:

Helping your child move from high school to college or job training can be one of the most daunting challenges you face. On the one hand, you understand the importance of students furthering their education. On the other hand, you are confronted by sometimes confusing information and a sea of paperwork.

We have an upcoming event that can help — the 2012 Miami National College Fair. The College Fair is an incredible opportunity for you and your children to learn about colleges, careers, and future employment. Students who attend will move more smoothly from high school to postsecondary education.

More than 185 colleges and universities from around the country will have representatives available to answer your questions about admissions, courses, and financial aid. An on-site counseling center will provide students and parents with academic advice and college planning information. Additionally, information sessions on financial aid, college planning, admissions, and testing requirements will be offered. A computer center will allow students to search for scholarships, survey their own interests to guide college and career choices, and research schools and occupations.

I invite you to take advantage of this once-a-year opportunity and strongly urge you to attend with your children. Admission to the College Fair is free. Parking is \$5.00.

Estimados padres de familia y tutores:

Ayudar a su hijo/a a pasar de la escuela secundaria a la universidad o a una escuela técnica puede ser una de las experiencias más intimidantes que tenga que afrontar. Por un lado, usted comprende lo importante que es para los estudiantes ampliar su educación. Por otra parte, usted se enfrenta a información que resulta confusa a veces y a un mar de papeleo.

Nosotros tenemos un evento que podrá ayudarle — la Feria Universitaria Nacional de Miami de 2012. La Feria Universitaria representa una gran oportunidad para que usted y sus hijos se familiaricen con las universidades, las carreras y los futuros empleos. Los estudiantes que asistan podrán pasar sin dificultades de la secundaria a la educación postsecundaria.

Más de 185 'colleges' y universidades de toda la nación tendrán representantes que estarán a la disposición del público para responder a preguntas acerca de las admisiones, los cursos, y la ayuda financiera. Un centro de asesoramiento en el sitio en que se celebra la feria proveerá orientación académica e información sobre la planificación de estudios universitarios a estudiantes y padres de familia. Además, se ofrecerán sesiones informativas sobre la ayuda financiera, la planificación, las admisiones, y los requisitos en cuanto a las pruebas para seguir estudios universitarios. Un centro de computadoras permitirá a los estudiantes explorar becas, analizar sus propios intereses a fin de guiarlos en la selección de la universidad y la carrera de su preferencia, así como investigar escuelas y ocupaciones.

De todo corazón, los invito a beneficiarse de esta oportunidad que se ofrece sólo una vez al año y los exhorto a que asistan con sus hijos. La entrada a la Feria Universitaria es gratis. El estacionamiento será \$5.00.
