### INSTRUCTIONS

We need your full participation in our MAGAZINE fundraiser! You will be receiving a packet with various magazines to subscribe to. What you need to do is get your family, friends, and neighbors to subscribe or renew a subscription to a magazine. ***The Senior Class will earn 50% profit back on every magazine sold.***

- In the middle of the packet there are forms in which you must **PRINT** the customer's information.
- You can fit up to three subscriptions (to the same address) on each form per person. If they decide to buy more than three magazines, you must fill out another form. Each different address will need a new order form.
- You **MUST** make sure that the **pink** copy goes to the buyer and that you keep the white and yellow copy and bring it back to school on the collection date.
- You **MUST** indicate whether it is a new or renewal of subscription. If it is a renewal, copy the name and address as it appears on the magazine or attach the label from the front of the magazine.
- Make sure that you **keep** the collection envelope because this is where you will return the white and yellow sheets with the money. *Write student number on the collection envelope.*
- Digital Subscriptions can be ordered on the same order forms. An email address must be provided on the order form to be able to process a digital order.
- Suscripciones Españolas.

**Remember that this money goes to your class to help make this year the best it can be! All we ask of you is to take this seriously and participate.**
