SCIENCE

Students must complete earth/space science, biology and physical science or chemistry in order to choose another science. Laboratory investigations of selected topics in the content which also include the use of the scientific method, measurement, laboratory apparatus, and safety are an integral part of these courses.

A \$4.00 fee will be assessed for materials to be used in all science courses. One year of physical science and one year of biology are required for graduation.

CODE	COURSE NUMBER	COURSE TITLE	GRADE	PREREQUISITE/ CO-REQUISITE/NOTES
