HELP US STOP STUDENTS FROM SKIPPING CLASS.

Teachers, remember that student need their student ID card and a pass to come to the Information Center. (One pass per student). You may also use an "e-pass" by emailing "7121media". No passes will be accepted from substitutes.

CHECK YOUR DESTINY ACCOUNT REGULARLY. DIRECTIONS ARE FOUND ON THE "INFORMATION CENTER WEBSITE"

HELP STUDENTS IMPROVE THEIR RESEARCH WRITING SKILLS

Require your students to turn in Bibliographies/Works Cited Pages for every research assignment. Encourage them to use print resources in addition to the Virtual Library. Have students follow the MLA Style for Writing handbook.

Students have access to the Testing and Education Reference Center where college entrance and licensing exams are found. They can take free online practice tests for exams such as the CLEP, FCAT, ACT,SAT, PSAT. This site even offers GED, ASVAB, and AP test preps. Students can find colleges and scholarships. A SPECIAL "THANK YOU" TO ALL WHO HAVE HELPED US IN TRYING TO KEEP THE INFORMATION CENTER ORGANIZED BY ASKING THEIR STUDENTS TO LEAVE EVERYTHING NEATER THAN HOW THEY FOUND IT!!
